

As a smart cards manufacturing expert, SmartOne is glad to offer custom designed contact ic cards to meet all your business needs. Whether you want to purchase wholesale contact cards or create chip cards with your customized design, SmartOne has the perfect solution for your business.

With no minimum order requirements, we can produce your cards quickly, saving you time and money, and giving you the flexibility to offer limited time campaigns or respond individually to your customers' needs.

SmartOne is committed to fast turnaround times for producing smart cards for all your business needs. We provide door to door delivery service to help keep your company ahead of the competition.

If you have any questions about contact ic cards, feel free to contact us, info@smartonetech.hk we will respond within 24 hours or less!

- bleed area - background artwork must fill this space.
- die cut line - a visual representation of where the card will be cut.
- safe area - important elements (logos, text, etc.) must stay within these bounds.
